In the Matter of:

NOTICE OF PURCHASED GAS              )  
ADJUSTMENT FILING OF MARTIN        )   CASE NO. 8730-L  
GAS, INC.                              )

O R D E R

On May 9, 1983, the Commission issued its Order in Case No. 8730 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On February 11, 1985, the court-appointed receiver of Martin Gas, Inc., ("Martin") notified the Commission that its wholesale cost of gas would be decreased by its supplier, Columbia Gas of Kentucky, Inc., ("Columbia") effective March 1, 1985, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Martin's notice of February 11, 1985, set out certain revisions in rates which Martin proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$1,132 or 2.4 cents per Mcf.

(2) Martin's wholesale cost of gas was decreased by Columbia effective March 1, 1985.

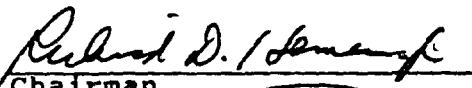

(3) Martin's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 8730 dated May 9, 1983, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after March 1, 1985.

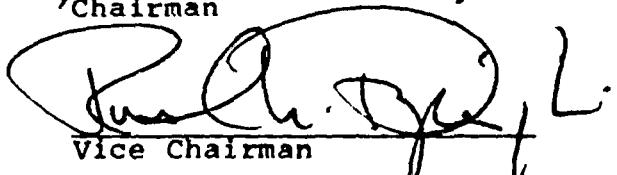

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after March 1, 1985.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Martin shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 1st day of March, 1985.
